### ***OPC Updated FY 2020 Resource Guides Now Available***

OPC has revised its County and Baltimore City Guides for FY2020. The Guides contain valuable County and City specific information about utility programs, energy assistance and energy efficiency programs, telephone assistance, and other emergency assistance programs that may be of help to low and limited income households. Water bill assistance is available in some areas.

Please visit our website at [www.opc.maryland.gov](http://www.opc.maryland.gov) to view or download a copy of the Guide for your area. The FY 2019 Guides will be replaced by late August with the FY 2020 Guides. We encourage you to share this with someone in need, or organizations and agencies that work with households in need in your communities.

If you would like a PDF or hard copy of the Guide, please send an e-mail to OPC at [DLInfo\\_OPC@maryland.gov](mailto:DLInfo_OPC@maryland.gov) , or call 410-767-8150 (1-800-207-4055) and ask for a copy of the Guide to be mailed to you.
